Dortmund International Research Conference 2015

June 26 – 27, 2015, in Dortmund, Germany

Organized by:

Dortmund University of Applied Sciences and Arts

European Master of Project Management

&

Ruhr Master School of Applied Engineering

## Invitation:

The main goal of the Dortmund International Research Conference is to provide a forum for reports, discussions and workshops on international aspects of science, research and teaching. The conference is focused on research fields supported by colleagues from different faculties at the University of Applied Sciences and Arts in Dortmund and at partner universities. The conference is a forum for collaborating researchers and their master and ph.d. students - a forum to present and discuss recent results and trends. The conference consists of several modules - and most topics are in some connection with the European Master in Project Management - EuroMPM - implemented in Dortmund, Bilbao, Trondheim and Kaunas, and coming soon in Kiev and Ternopil. Conference language is English. We plan to submit conference proceedings for all participants - and abstracts on a web site. The conference is free of fees.

## Conference Streams and Topics

The scope of the conference is:

- Sustainability in Project Management, Quality Management
- Project-oriented Business
- Project Management and Education
- IT & Engineering Projects
- ICT, Embedded Systems, Automotive Software
